Easy Referral Pathway For All NHS Patients

Optometrist Referral

We advise you to follow your local referral pathway, which can include the below.

- Optometrists can refer directly to ACES onto the Eye V platform.
- Alternatively optometrists can make contact with the patient's GP, who will then make the referral using the NHS e-Referral Service (e-RS).

GP Referral

All healthcare professionals referring NHS patients to ACES should use the NHS e-Referral Service.

- **e-RS** – Select ACES from the provider list

24/7 Practitioner and Post-Operative Advice Line:

0333 188 2938 Monday to Saturday between 9am-5pm

03300 240 488 outside normal operating hours.

NHS Partnership Executives

If you would like to hear more about our services and how we can support you and your practice in providing excellent care to your patients, please contact your local NHS Partnership Executive:

ACES Leeds King Street Clinic

Second Floor, 14 King Street, Leeds LS1 2HL

Pre-op & Post-op Cataract Care | Cataract Surgery | Glaucoma Care |
General Ophthalmology | YAG Laser Treatment

Directions: ACES is situated in Leeds City Centre, a short walk from both City Square and the train station. The building sits on the doorstep of Trinity Leeds and the vibrant retail district. Close to Park Square, the clinic is on the loop road which is easily accessible from both the M62 and M1. When coming from the motorway, keep right on the A58 via King Street and Infirmary Street. Then turn right in to Croft's Court, the building is on the left hand side.

Parking: Leeds Railway Station car park is a 2 minute walk from the clinic.

By Train: Leeds train station is a 2 minute walk from the clinic.

By Bus: Both the 1/1B buses stop a 5 minute walk from the clinic.
